winter BREAK Camp

 2019

February 18th-22th

*Ages 6 - 13

Presented
by:

SCHEDULE

Camp hours are from 8:00 AM to 5:00 PM Monday through Friday. Lunch, an afternoon snack, and at least one hour of free-time will be provided daily. Each child is responsible for bringing his or her morning snack.

MONDAY: "X-treme Fun"
We'll kick off our first day of camp with activities you can only do in the snow. Kids will be given lessons on how to cross country ski and snowshoe. We will then venture out on a trip into the forest along our scenic trails * The youngest kids will snowshoe, but not ski.

TUESDAY: "Walking in a Winter Woodland"
Today offers three amazing winter activities. Join our knowledgeable instructors and learn about the ecological wonders found near our campus in the winter. Then follow the tracks of native animals through the woods and learn a thing or two about their habits. Lastly, you will learn how to survive in the woods amidst harsh conditions during our Winter Survival activity.

WEDNESDAY: "High Adventure"
Get the best of both worlds by doing some indoor rock climbing at The Crux and some outdoor snow tubing at our nearby hill. If snow conditions prevent snow tubing, campers will have a blast with our World Famous Egg Drop activity.

THURSDAY: "Adirondack Excursion"
What better way to explore the Adirondack Park than to hike in it all day long! Leave Pok-O in the morning and hike an Adirondack mountain, playing fun games along the way and eating an infamous "summit sandwich!"

FRIDAY: "Pok-O-Lympics"
Finish off the week with a day filled with fun and excitement! Join one of the four competing nations: MacCreadia, The United Poko States, Ol' Moonshire, The Kingdom of Swan! Compete with your team in a variety of fun activities and challenges!
