

Dear Camp Parents,

Pack My Rx and its pharmacy partner, **Aurora Long Term Care**, will dispense your child's medications in convenient multi dose strip pouches, labeled with your child's name, medication, and instructions. This helps our nurses be better organized and helps avoid potential errors. It is very important that you do not send your child to camp with medications. This is a safety precaution that we have implemented and your cooperation is greatly appreciated.

Please complete your registration at www.packmyrx.com.

Registration opens on March 1st and it is important to register as early as possible so that Pack My Rx/ Aurora Long Term Care can guarantee the timely arrival of medications to camp and avoid any late fees and/or expedited shipping fees. Prescriptions have to be sent at least one month before camp starts (May 30th for first session campers) directly to **Aurora Long Term Care** by your physician.

Registration Fees: \$75 per camper (this does not include the cost of any medication)

Medication Deposit: \$100 per camper (for copays, meds not covered by insurance, Over the Counters)

**-If your camper's medication costs are less than \$100, we will refund the unused balance in Sept.
-If your camper's medication costs exceed \$100, the pharmacy will charge the overage to the credit card on file.**

30 days before camp starts we must have received:

- a completed registration
- all prescriptions for 30 days plus a refill or additional scripts for controlled substances
- copy of insurance card, if applicable

Late Fees: \$85 late fee if registrations are not completed and all prescriptions and insurance information are not received at least 30 days before camp start date. This fee will also be charged if your child has any medication changes that require a special shipment in the middle of a camp session.

Most commercial prescription insurance plans are accepted, Aurora Long Term Care will bill insurance shortly before camp starts or during camp if necessary. Parents are responsible for all out of pocket expenses.

PLEASE NOTE: Gummies cannot be packed in pouches so please find a comparable chewable supplement.

If you have used Pack My Rx before, your login information remains the same. Looking forward to an amazing summer!!

Sincerely,

Brian DeGroat
